

Faith, Hope and Love

Below are discussion points to help aid group conversation about J.John's teaching on Faith, Hope and Love.

FAITH

Discussion

- Why do you think that sometimes, people are very happy to have love and hope in their lives, but are not so keen on faith?
- What do you make of the statement 'If we need all of the answers in order to trust God, then we are not really trusting God'?
- Read Matthew 14:22-33 again. Is there anything from this story that stands out to you?
- J.John tells the story about how he and Killy were able to buy a house because of God's intervention. Have you ever had something like this happen to you or someone you know?
- What does it look like to have both 'starting faith' and 'continuing faith'?

Practical Application

- Is there a situation you are currently facing where you need to have 'continuing faith'?
- Is there an area in your life where you need to step out in faith in order to trust God?
